

IHSAN ULLAH

Mern Stack Developer

I'm Ihsan Ullah, a dedicated Computer Science student at AWKUM since 2019. Holding a 3.1 CGPA, I'm eager to step into  web development. Passionate and driven. Proficient in HTML, CSS, Bootstrap, JavaScript, and React.js, I bring valuable experience to front-end web development. Keen to broaden horizons, I aim to master the MERN stack (MongoDB, Express.js, React.js, Node.js) . Mastery in this modern tech stack will empower me to build robust web applications.

Projects

1. Portfolio Project

1. Interactive Design: This website is not just a static display; it's an interactive experience. I've utilized React to create dynamic user interfaces that engage and captivate visitors.

2. Skillset: Learn more about my technical skills and expertise. I've integrated sections that showcase my proficiency in React, JavaScript, HTML, CSS, and other relevant technologies.

3 .Contact Information: Feel free to get in touch with me through the contact form or connect with me on social media platforms. I'm always open to collaborations and discussions.

4 .Responsive Design: My portfolio website is designed to be fully responsive, ensuring an optimal viewing experience on various devices, from desktops to smartphones.

2.Cryptocurrency App

Real-Time Data: Stay up-to-date with live cryptocurrency prices, market capitalization, trading volume, and historical data, all fetched from reliable sources and updated in real-time.

2.News and Updates: Access the latest cryptocurrency news, analysis, and trends directly within the app. Stay informed about market developments that impact your investments.

3.User Authentication: Your data is secure with user authentication and authorization, ensuring that your portfolio information is private and protected.

4.Responsive Design: The app is designed to work seamlessly on both desktop and mobile devices, providing a consistent and user-friendly experience.

3.iNoteBook

Introducing my MERN (MongoDB, Express.js, React, Node.js) To-Do List app, a powerful and intuitive tool designed to help you regain control of your daily tasks and responsibilities. With a user-friendly interface and robust functionality, this app empowers you to streamline your workflow, prioritize tasks, and achieve your goals efficiently.
